

# Health

This pathway is intended to guide you through your SCC experience if you are interested in a health program. These courses will meet requirements in many of the health programs and/or will prepare you to continue on to complete program prerequisite requirements.

**START HERE**

You must meet with your Success Advisor in Student Services prior to registering for courses.

**Milestone Courses**  
are courses that are the first priority for this pathway

SEMESTER 1		CREDITS	MILESTONE	COMPLETED
ENG 111	Writing and Inquiry	3		<input type="checkbox"/>

PSY 150	General Psychology	3		<input type="checkbox"/>
Total credits 14 GPA >= 3.0 in good academic standing				<input type="checkbox"/>

This is a great time to meet with your faculty advisor to ensure your SCC program of study is accurate.

**Continue to Semester 3**  
( See back of page )

### General Advising Notes:

- If you place into transition/development courses you should begin in those in your first semester.
- You should select courses based on your intended major and transfer university requirements.
