

Nurse Pledge

As I enter the nursing profession I pledge to:

Use all the knowledge, skills, and understanding that I possess when providing professional nursing care.

Deliver nursing care non-judgmentally and to all those who require it, to the best of my ability.

Refrain from any action which might be harmful to the quality of life or health of those I care for.

Treat each client with respect.

Hold in professional confidence all the personal information entrusted to me.

Keep my professional knowledge and skills at the highest level.

Give my support and cooperation to all members of the health care team.

Contribute to the advancement of the nursing profession.

Maintain my nursing practice in accordance with the professional nursing standards required for my profession.
