Student Rights and Code of Conduct

Policy Number: AI – 008

Purpose
The purpose of the Student Code of Conduct is to outline the expectations regarding student behavior and to assist in the maintenance of a productive, safe educational environment.

When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law. If a student’s behavior simultaneously violates both college regulations and the law, the college may take disciplinary action independent of that taken by legal authorities.

Student Rights

Legal Rights
All rights and privileges guaranteed to every citizen by the Constitution of the United States and by the state of North Carolina shall not be denied any student. Furthermore, SCC shall adhere to all of the statutes of the United States and the state of North Carolina.

Rights of the Learner
A. Students have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable and nondiscriminatory rules and regulations regarding time, place, and manner.
B. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.
C. Students have the right to inquire about and to propose improvements in policies, regulations and procedures affecting the welfare of students through established student government procedures, campus committees, and college offices.

Freedom of Association
Students are free to organize, to join an association or organized club, or propose the creation of new clubs and association to promote students’ program or career interest.

Student Records
The Family Educational Rights and Privacy Act of 1974 (FERPA) provides safeguards regarding the confidentiality of, and access to, student records. FERPA policies are described in more detail in the Student Records Policy.

Due Process
Due process procedures are established to guarantee a student accused of a student code of conduct violation the right to a hearing, a presentation of charges, evidence for charges, the right to present evidence, the right to have witnesses on one’s behalf and to hear witnesses on behalf of the accuser(s), the right to counsel, and the right of appeal. No disciplinary sanctions other than temporary removal from class or activity (only for duration of said activity) may be imposed upon any student without due process.

Violations of the Student Code of Conduct
Immediate Dismissal of Students
If an act of misconduct threatens the health or well-being of any member of the academic community or seriously disrupts the function and good order of the college, an instructor, campus police, or administrator may direct students involved to cease and desist such conduct and advise them that failing to cease and desist could result in immediate dismissal from school. If the students fail to cease and desist, the instructor, campus police, or administrator may then dismiss them from the class or the college until a resolution of the matter can be made. Prior to dismissal, the student(s) shall be given the opportunity to explain his or her conduct to the instructor, campus police, or administrator.

An instructor, campus police, or administrator invoking such dismissal shall notify the Chief Academic Officer and Curriculum programs, in writing of the individuals involved and the nature of the infraction as soon as possible, but no more than two (2) days following the incident. The Chief Academic Officer and Curriculum Programs is responsible for reviewing the dismissal and implementing the student discipline procedures as outlined below.
Discipline Issues Occurring Inside the Classroom
Faculty members are responsible for classroom management. When students are disrupting the learning environment (talking during class, playing with phones or other devices, etc.), faculty members will address the situation at the lowest level possible. If the student continues the disruptive behavior, the faculty may refer the student to the Division Chair/Director of the program.

The Division Chair/Director may decide that the student’s ongoing disruptive classroom behavior warrants removal from the course. If the Division Chair/Director recommends that the student should be removed from the course, the Division Chair/Director will file a written code of conduct charge against the student with the Vice President of Academic Affairs. The Vice President of Academic Affairs, in consultation with the Vice President and the Vice President of Corporate and Continuing Education, will implement student discipline procedures as outlined below.

Discipline Issues Unrelated to the Classroom
Any administrative official, campus police officer, faculty member, staff member, or student may file charges with the Vice President of Academic Affairs against any student or student organization for violations of college regulations.

Sanctions
When the accused is found to be in violation of this policy, sanctions will be issued to the accused to correct the behavior and to reasonably ensure that the actions will not be repeated. The Vice President of Academic Affairs may apply the following sanctions as appropriate:

Verbal Warning
A verbal warning which if the student continues or repeats a specific behavior/condition further disciplinary action will be taken.

Reprimand
A written communication which gives official notice to the student that any subsequent offense against the Student Code of Conduct will carry heavier penalties because of this prior infraction.

General Probation
An individual may be placed on General Probation when involved in a minor disciplinary offense. General Probation has two important implications: The individual is given a chance to show his/her capability and willingness to observe the Student Code of Conduct without further penalty; secondly, if he/she errs again, further action will be taken. This probation will be in effect for no more than two semesters.

Restrictive Probation
Restrictive Probation results in loss of good standing and becomes a matter of record. Restrictive conditions may limit activity in the college community. Generally, the individual will not be eligible for initiation into any local or national organization and may not receive any college award or other honorary recognition. The individual may not occupy a position of leadership or responsibility with any college or student organization, publication, or activity. This probation will be in effect for not less than two semesters. Any violation of
Restrictive Probation may result in immediate suspension.

**Restitution**
The student must pay for damaging, misusing, destroying or losing property belonging to the college, college personnel, or students.

**Interim Suspension**
Students will be excluded from class and/or other privileges or activities as set forth in the notice, until a final decision has been made concerning the alleged violation.

**Loss of Academic Credit or Grade**
This punishment is imposed as a result of academic dishonesty as determined by the Academic Appeal Policy.

**Withholding Transcript, Diploma, or Right to Register**
This sanction is imposed when financial obligations are not met.

**Suspension**
The student is excluded from class or classes and/or all other privileges or activities of the college for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than probation or for repeated misconduct. Students who receive this sanction must get specific written permission from the Vice President of Academic Affairs before returning to the college campus.

**Expulsion**
The student is dismissed from campus for an indefinite period. The student loses his/her student status. The student may be readmitted to the college only with the approval of the President.

**Group Probation**
This sanction is given to a college club or other organized group for a specified period of time. If group violations are repeated during the term of the sentence, the charter may be revoked or activities restricted.

**Group Restriction**
A club or other organization is removed from college recognition during the semester in which the offense occurred or for a longer period (usually not more than one other semester). While under restriction, the group may not seek or add members, hold or sponsor events in the college community, or engage in other activities as specified.

**Group Charter Revocation**
This sanction involves removal of college recognition for a group, club, society, or other organization for a minimum of two years. Re-charter after that time must be approved by the President.
Student Disciplinary Process
Surry Community College will use the Civil Rights Investigation Model to handle all grievance issues pertaining to student misconduct. This process will ensure a prompt, thorough, fair, and impartial investigation and resolution for all parties involved. For more information regarding the grievance process, please see the Student and Employee Grievance Process Policy.
